

GOVALLE

NEIGHBORHOOD ASSOCIATION

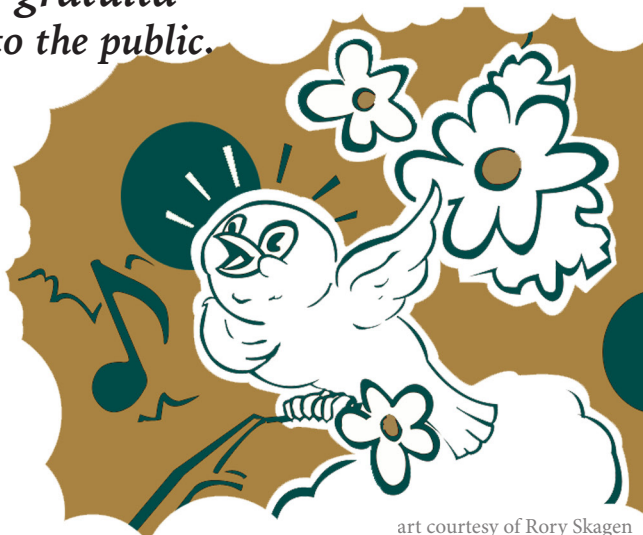

Stand up and get involved!

Our neighborhood is changing fast. Help shape the future and protect our community. Over the years we've met with our city council member, discussed safety issues with APD, met with developers (to challenge and provide feedback), and voiced our concerns to capital metro. This year we will continue discussions with council member Renteria, support affordable housing initiatives, and tackle Code Next. More information about our plans and events are posted on the website.

*Participación es abierta y gratuita
Participation is free and open to the public.*
